VOL. XLIV — SONOMA, SONOMA COUNTY, CAL., OCTOBER 29, 1921 — NO. 10

SONOMA TO CELEBRATE COMPLETION OF $60,000 STREET IMPROVEMENTS

Trustees to Put Other Streets in Good Shape and Business Men's Association Will Hold Celebration November 12th.

To celebrate the new era of Sonoma's new street improvement and the completion of the $60,000 paving contract just completed by Gorrill & Gorrill, the Sonoma Business Men's Association has decided to stage a big celebration here on November 12th, with attractions in the afternoon and a big time in the evening. The streets will be illuminated. There will be street dancing, horribles parade, mardi gras features, confetti, music and serpentine. A pie eating contest and other events of interest will be on the program.

The paving is now complete and is being opened gradually to traffic. From the city limits up Broadway, along Napa street and around the Plaza the streets are now modernly paved, many property owners having completed work which the city contract did not cover.

In addition to this splendid permanent improvement made possible by the bond election last year, the present Board of City Trustees have advertised for bids to scarify and improve other streets including Spain street. Besides this, Sam Sebastiani has done and is still doing a lot of substantial street paving along the streets facing his fine group of modern bungalows.

Sonoma has just cause to make merry and will be all lit up and prepared to give all comers a joyous welcome to the big celebration on Saturday, November the 12th.

Remember the date and celebrate with us. There will be "a hot time in the old town" that night.

The celebration committees appointed by President W. F. Clewe are as follows:

Illumination—Chas. La Torres.

Masque and Kangaroo Court—Ralph Hotz.

Volunteer Fire Department Demonstration—John Mohr.

Publicity-Music—W. L. Murphy.

Pie Eating Contest—Mr. Kaplan.

Prizes for best costumes at street masquerade and for contests—Al. Stein.

RECOVERING FROM ACCIDENT

Mrs. S. Nonella, who broke her shoulder last week, is doing nicely under the care of Dr. A. M. Thomson.

NEW TELEPHONE EXCHANGE

The new telephone building on First street west will be occupied by Miss Nellie Peterson and assistant hello girls in about two weeks. It is a classy little concrete building, another of Sonoma's late improvements.

HANSEN IS ERECTING IMMENSE HATCHING PLANT

Fred J. Hansen owner of the Sonoma Valley Hatchery is erecting what will be the largest hatchery in the Valley of the Moon. The frame of the building is now up and the 40x90 foot structure will be shortly completed. It is located on Hansen's property on West Spain street and will have a capacity of 140 incubators. The most scientific system of ventilation will be adopted so that the interior of the hatchery will itself be almost like a mammoth incubator. In order to give just the proper moisture necessary, mother earth floors will be used in preference to concrete.

The Sonoma Valley Hatchery has made a wonderful growth, the business having increased rapidly each season as Hansen's sturdy chicks became known throughout the Western States. He has many local customers also, one order for 5000 baby chicks from an El Verano poultryman being already booked. Even Petalumans send to the Sonoma Valley Hatchery for baby chicks.

The first hatch will be during the first week of January and thereafter every three weeks thousands of fluffy youngsters will be boxed and shipped from Sonoma to various states.

TIERNEY WINS CASE AGAINST WATER COMPANY APPEAL

Thomas Tierney has won his case against the Sonoma Valley Water, Light & Power Company for wages due him. He sued for more than $900 and got judgment. W. Chester then appealed the case and it has been in the courts for some time, going through the demurrer stage and other technical proceedings. This week Chester failed to make the necessary showing and Tierney's attorney, Mr. Barrett of Santa Rosa asked that judgment be entered for his client. Judge Thompson made the order.

Tierney wins the amount asked plus costs.

WORKING OUT AT PARENTE'S TRAINING QUARTERS

The gymnasium and training quarters at Louis Parente's, El Verano, is a busy place these autumn days, and quite a few visitors who are interested in the boxing game are watching with interest the work-outs of Buck Hooley, Frank Thurston, Larry Jones, Harry Jones, Young Thomas, Frank Dunning, Sal Carlo, Spec Reamer and Joe White. The boys are showing exceptional class and should give a good account of themselves later on.

Saturday night Precita Parlor of Native Sons are due to arrive at Parente's Tavern with their band. A gala time is expected both Saturday and Sunday.

TAKEN UNDER ADVISEMENT

The small claims court case of W. L. Murphy vs. J. H. Murray has been taken under advisement by Judge Leopold Justi, who heard the evidence of plaintiff and contention of the defendant. Murphy sued for money due the Index-Tribune.

TWO AUTO ACCIDENTS; ONE FATAL SUNDAY

Mrs. Frigate Met Death at Kenwood Bridge and Gottenberg Brothers Have Narrow Escape in Collision.

Mrs. S. Frigate of Arbuckle, met almost instant death at the Kenwood bridge Sunday night when the car driven by her son-in-law ran off the bridge and landed in a deep ditch The son-in-law named Fox, driver of the ill-fated machine was blinded by the lights of a big touring car coming from the Cotati races and in trying to turn out, went over the edge of the narrow bridge. Fox and his wife were unhurt, but Mrs. Frigate, aged 75 years was dead when taken from under the overturned car. The machine which caused the trouble sped on into the night evidently unmindful of the sad accident it had caused.

While going to the Speedway Sunday, Ray and James Gottenberg, who were accompanied by I. B. Hayter and F. Giorno of the Standard Oil Co. were run into by a big car and their Ford turned completely up-side-down. The Sonoma boys were all underneath the car but when extricated, were found to be suffering from slight injuries. Mr. Hayter was badly bruised, but all were exceedingly fortunate. The owner of the offending car, a Petaluma man, paid all damages.

SONOMA POULTRYMEN COMMEND HATCHERY PLAN

At a well attended meeting of the Sonoma Farm Center's poultrymen Tuesday night, great interest was manifested in the plan of the Farm Bureau to improve and standardize baby chicks by accredited hatcheries The poultrymen pledged cooperation and passed a resolution endorsing the plan. Close inspection of eggs to eliminate undersized or weak chicks and the ultimate use of eggs from trap nests only where the record is not less than 175 eggs per year, is the aim of the Farm Bureau as outlined by M. W. Buster.

The accredited hatcheries would maintain inspection at their own expense but would be endorsed and otherwise aided by the County Farm Bureau.

W. L. McAllister who has done good work as head of the poultry department of the local Center, was unanimously reelected.

FINE CROWD ATTENDED NATIVE DAUGHTERS DANCE

The sixth annual dance given last Saturday night by Sonoma Parlor, Native Daughters of the Golden West was largely attended and one of the most enjoyable ever given by the Parlor.

The Womans Clubhouse was thronged to capacity and there were many out of town guests. The music by Perkins was par-excellence and refreshments served by the fair Daughters were up to their usual standard.

Great credit is due Mrs. Adler and her committees and President Stella McGill for the financial and social success of the dance.

FIRE DESTROYED HOME AT SONOMA VISTA

Owing to delay in getting the Boyes Fire Department on the phone Sunday night, the Battersby home at Sonoma Vista was completely destroyed by fire. Two minutes after the alarm reached the department, the chemical engine was on the scene of the conflagration but by that time the flames had gained such headway that the place was doomed and the firemen confined their efforts to saving adjacent property.

The origin of the fire is thought to have been a defective coal oil stove or matches left in a clothes closet. The loss was about $2000, partially covered by insurance.

R. LICHTENBERG DIRECTOR OF COUNTY BOARD OF TRADE

SANTA ROSA, Oct. 26.—Acting under authoritty of an act passed by the last session of the State Legislature, the board of supervisors yesterday named the members of a Sonoma County Board of Trade which succeeds to the duties of the old county board of trade, organized last May by representatives of the various commercial organizations of Sonoma county.

The new members are as follows:

First Supervisorial District—Rudolph Lichtenberg, Boyes Springs.

Second Supervisorial District—Sandy McFadden, Petaluma.

Third Supervisorial District—C. O. Dunbar, Santa Rosa.

Fourth Supervisorial District—C. E. Humbert, Santa Rosa.

Fifth Supervisorial District—R. A. Belden, Guerneville.

Secretary—Herbert J. Waters, Santa Rosa.

A room in the court house will be provided and equipped for the use of the board and secretary, who will be the executive officer, and carry on the work between sessions. It was decided to go ahead with the plans outlined by the old organization. Enlarged photographs of Sonoma county scenery, public and private buildings, resources and producing plants will be installed in the State Exposition building in Los Angeles, while the new motion picture reel covering the harvesting of crops will be added to those already being used there on behalf of Sonoma county.

It is the intention of the new Board of Trade to secure as much publicity for Sonoma county among eastern visitors to the State as possible, and the motion pictures of the county will be displayed at all gatherings attended by easterners. Efforts will be made later to extend their use into the middle west to attract farmers to this county.

PETER PERAZZO TO RETURN HERE

Pete Perazzo, who was formerly in the hardware business here has returned to Sonoma and will open a horse shoeing shop on the North side of the plaza. Pete is a popular Sonoma boy, formerly in the Navy.

RECKLESS DRIVING CHARGE

Mrs. Eberhardt of Buena Vista, whose car was badly damaged near Boyes Springs last Saturday when struck by a machine driven by Wm. Kermode of San Francisco, had the latter arrested for reckless driving. His case was heard before Judge Small yesterday.

ST. FRANCIS FAIR OPENED THURSDAY

Tonight Will Be Gala One For Big Benefit For Local Parish.

The Fair for the benefit of St. Francis parish building fund, which opened at Union Hall Thursday night has been well attended and liberally patronized. Many handsome and valuable articles are on sale and a good program to conclude with dancing has been offered. Tonight will be the big night and a record attendance is predicted.

The opening night program was replete with clever numbers, the song and dance of Ismay Dockins making an immense hit.

Tonight another good vaudeville bill will be on the program. A splendid jazz orchestra from Oakland has pleased nightly and will play again tonight.

The funds will go to pay off the debt on the beautiful new parish house here just completed by contractor C. C. Bean.

P. Vivivani, who had the misfortune to be run over by a truck, is resting comfortably although the injury to his leg will lay him up for some time.

LOCAL AND PERSONAL

Dr. and Mrs. Hays have returned from a trip to Eureka.

Mr. and Mrs. Al. Stein motored to Sacramento last Sunday.

Robert La Torres, who has been visiting his father, has returned home.

The Flying Needles will meet at the home of Mrs. Burmester in El Verano the coming Wednesday.

Chief Geo. Cause and Duffy Lewis of Boyes Springs motored to Eureka this week in Duffy's new Salient 6.

Miss Celia Thomson has been visiting Miss Mary Moldonado and her aunt, Mrs. Carlos Emparan, in Oakland.

Mr. and Mrs. Ray Poppe of Oakland, and Mr. and Mrs. Kruger of San Francisco, were guests at the J. E. Poppe home last week.

Mr. and Mrs. M. E. Yocom of the Foster ranch have changed their postoffice address from Box 317, Sonoma West, to Box 313, Sonoma.

Mrs. Ed. Thierkoff of Glen Ellen was in town Monday and is making splendid progress since her operation at the Crane Sanitarium. Her mother, however, has been very ill, having been taken sick while visiting her here.

Miss Cummings and her mother of Eureka have been here at the home of Mrs. Cummings' mother, Mrs. Kiser. Miss Cummings is convalescent from a second recent operation, and after a rest at her grandmother's home will return to Berkeley, where she is a student at the Academy.

Mrs. Will Hellberg (Myrtle Thomas) entertained this week in honor of her father, R. B. Thomas, who celebrated his seventieth birthday. A family dinner party and a big birthday cake with many candles were given at the Schellville home of the daughter of Sonoma's pioneer resident.

HARVEST FESTIVAL AND SUPPER AT M. E. CHURCH

The Ladies' Aid of the M. E. Church will give a Harvest Festival and supper at the church Tuesday. The supper will be served from 5 p. m., and the home cooking and preserves will be on sale throughout the day.

The ladies are famous as good cooks and their affairs are always liberally patronized.

ATTENDED EASTERN STAR CONVENTION

Mrs. Edna Stillings, worthy matron of Valley of the Moon Chapter O. E. S., accompanied by Mrs. Alice Norbom, also a member of the local chapter, attended the convention of the order at Santa Cruz last week.

GOES INTO HORSE SHOEING BUSINESS IN SONOMA

H. D. Bruner, for many years with Wm Zartman of Petaluma has moved to Sonoma and taken over the horse shoeing business at Rambo's blacksmith shop. Mr Bruner has worked here before and has a reputation of being a reliable and painstaking shoer He already has many friends in the valley who are glad he has come here to locate.

GLEN ELLEN NATIVE SONS TO DANCE

The Native Sons of Glen Ellen Parlor will give one of their enjoyable dances at Chauvet Hall, Glen Ellen, on Saturday night, November 5th. Perkins' Orchestra will play. The popular young Natives in charge of the arrangements are sure to pull off a real good party.

POSTAGE STAMPS—I will buy old United States postage stamps issued prior to 1880. Will also buy stamp collections. G. P. Kettlewell, care First Nat'l Bank, St. Helena, Calif. 10-4t

"SAFETY FIRST" SUPPLANTS SENTIMENT

PUBLIC SAFETY and necessity now rise up to fortify public sentiment for immediate construction of the State highway between Schellville and Santa Rosa. Another fatal accident at one of the narrow bridges on this piece of road sounds a warning to those who are responsible for the proper conditioning of this important lateral. The State Highway Commission has it in hand and should lose no time in expending the money voted for the improvement. Wide modern bridges with proper approaches and the straightening out of some dangerous curves are imperative if death is not to take more human toll as traffic increases along this road.

It is no longer a plea for progress and the upbuilding of this county, but Sonoma Valley now pleads for action on this stretch of highway that we may safeguard the traveling public from death and destruction in our midst.

"SAFETY FIRST" should certainly transcend political moves and motives in exigencies such as this. Gentlemen of the Highway Commission, make all possible effort to hasten this urgent construction!

SONOMA VALLEY GOLF LINKS

THE GOLF LINKS near Boyes Springs are an assured fact and will mean much to Sonoma Valley, as the recreationists' paradise. There is still a lingering suspicion in the minds of some that golf is only a rich man's game, or at best a "Cholly's boy" pastime. This provincial notion is fast disappearing, dispelled by the popularity of countless municipal golf courses. Here is what the Portland "Oregonian" has to say about it:

Issuance of almost 39,000 cards at the Eastmoreland municipal golf links in the past year indicates that the public is changing rapidly the opinion, widely held a few years ago, that golf is a game for the exclusive patronage of the old and the idle rich. Probably the fact that the links formerly were owned by exclusive clubs bolstered up the latter view, and it is likely that the English clothes worn by many golfers further fostered it.

Golf is indeed an old man's game in the sense that one does not need great physical endurance to participate. Many who could not last half of one quarter in a football game may get both recreation and amusement following the ball around the fairway, and it is this latter fact which lends the game much of its worth to the city man.

It is a well-known medical fact that one whose muscles have become relaxed by sedentary life often does himself more harm than good by indulging in violent exercise. For such golf is an ideal recreation. Only those who have spent a golden summer afternoon on the links can realize the sheer joy of it. Only those who have seen the fairway brighten under the spring rains, and watched the maples along the course turn yellow and scarlet and brown, and who have played when wisps of gray fog hung on the hilltops, can appreciate that the pleasure of golf compares favorably with that of more violent games.

Not that the element of stern exercise is lacking. The beginner who twists himself into a semblance of proper stance, and makes futile swings at the ball, can take oath to that when he gets out of bed the next morning with his waist and shoulders stiff and sore. Best of all, it is not a game in which a majority of devotees are mere spectators. It marks a healthy tendency to abandon the production of a few stars in favor of furnishing the many with needed exercise.

SONOMA'S FOUNDER TO BE HONORED ANNUALLY

Gen. Vallejo Day at Woman's Club Proves Splendid Event and Marks Beginning of Yearly Observance.

The Sonoma Valley Woman's Club observed Gen. Vallejo Day last Friday afternoon and so great was the interest in the occasion and so keen the interest in Sonoma's founder and the historic romantic era of which he was the leading figure that the day will be annually observed by the club. Friday's program was arranged as a tribute to the past president, Mrs. Lulu Emparan, daughter of General Vallejo, and it attracted a large crowd of members and visitors, some of them distinguished and prominent in the history of our country and state.

The club house was richly decorated in the autumn foliage, and on the stage was displayed a life sized portrait of General Vallejo wreathed in laurel and surmounted by flags of the United States and Mexico.

Charles Turrill of San Francisco, curator of history and librarian of note, was the first speaker on the program introduced by Mrs. Claude Johnson, chairman of the afternoon. Mr. Turrill gave a comprehensive review of General Vallejo's place in history. The speaker's digressions on the Californians of yesterday and today proved his wit and breadth of view. It was evident he was not in sympathy with latter day reforms of California traditions and cherished customs. His condemnation of the Bear Flag incident was heartily applauded by the Vallejo descendants and those who believe with Mr. Turrill that it was an "unfortunate blunder and affront against the friendly and hospitable representative of the Mexican government," Mr. Turrill said in the course of his remarks.

"Let this day be to you all a red letter day, not only that you have kindly borne in mind his memory and the memory of those he loved but rather let it be for you all a red letter day because you have done this thing. May you annually thus gather to bear in kindly remembrance the name Vallejo and may you make Sonoma a shrine sacred to the memory of the last of Spanish descent to bind together the varied civilizations and races that in time time will hand down to posterity a better, nobler State of California, so honored and so loved by Mariano Guadalupe Vallejo."

A song in Spanish by Mrs. Emparan, whose title translated was "The Winds That Waft My Sighs to Thee," was heartily applauded, and then by special request the gracious daughter of the distinguished Californian gave "La Paloma."

Judge Emmet Seawell took issue with the first speaker as to the Bear Flag incident, and while not condoning its harsh features declared it to be an incident of war or revolution and as such understood by the General. He praised Vallejo's statecraft and read a proclamation which he declared was a classic in both content and rhetoric. He recalled Vallejo's humanitarian acts and his dealings with the Indians of old Sonoma days amicable and sympathetic as long as they did not break faith with him in upholding laws for the protection of home, family and community welfare. His prompt punishment of the infraction of Chief Solano and restoration of women and children kidnaped by the semi-savage was recited. Judge Seawell praised highly the Americanism of Vallejo and declared his unique place in California's history entitled him to a place in the Hall of Fame at Washington.

Great interest centered around the visit to the club on this day of Mrs. Ross Martin, prominent member of the Pioneer Society of California and daughter of one of Sonoma's most prominent pioneers, John Cameron, first mayor of Sonoma and a contemporary of General Vallejo. Cameron came here in 1846 and his daughter, now 70 years of age, was the first white child born on the Vallejo rancheria. Mrs. Martin spoke feelingly of her visit to Sonoma, her native city, and of the memories she treasured regarding her family's association with General Vallejo and his wife. She presented to Mrs. Emparan an old invitation to a tea given her parents by General Vallejo many years ago, and exhibited the transfer her father took from Temple Lodge, F. & A. M., to a Masonic lodge in San Franisco in 1854. It bore the fraternal seal. Mrs. Martin resides in Berkeley and is a sweet faced lady of culture and poise, a credit indeed to the state whose daughter she is proud to be.

The afternoon did not come to an end until the sun had gone down over the western hills of Sonoma's beauteous valley. The members and friends remained to partake of delicious refreshments served by Mrs. A. M. Thomson, granddaughter of General Vallejo, and her gracious assistants.

Before the close of the program Mr. J. W. Minges of Boyes Springs, himself an old Californian, presented the club with a check to help found a General Vallejo Day and to celebrate it annually on the club program. His thought and generosity was greatly appreciated.

The old mission's restoration has long been a cherished project of the Sonoma Club women and henceforth both history and landmarks will find a permanent place in their year book.

Among distinguished visitors present were Mary Cameron Martin, Mrs. S. Gray, Miss Honoria Toumey, County Treasurer James Ranage, Mrs. John Plover and others.

IGNACIO-FAIRVILLE PAVING BEGINS

Contractors have commenced work on the paving of the Black Point cut-off between Ignacio, Marin county, and Fairville, Sonoma county. Camped at Black Point a gang of men are now busy with preparations to commence active work shortly.

The California State Highway Commission awarded a contract for 9.52 miles of 18-foot highway. The paving is to consist of a three and a half inch asphaltic concrete base and a one and a half inch asphaltic concrete surface. The bid acceptted totals $236,394.07, or $24,235.20 per mile. The bid on hydraulic concrete surface exceeded the accepted bid by $51,227.08, or $5,537.12 per mile. Work is also progressing on the adjoining section of the cut-off in Sonoma county.

Mrs. Annie Ewing, daughter of the late Margaret Gough, was in town the firsst part of the week on business concerning her mother's estate. She also looked after the ranch property here, as the former tenant has gone and new arrangements had to be made.

Announcement—

Automobile Stage Service will be inaugurated between Sonoma and Petaluma on October 29th, 1921.

This route will shorten the traveling time between these points by over an hour, and connection may be made at Petaluma for Cotati or Novato and way points.

RED CROSS GIVES ANNUAL BUDGET

$19,361,657 Allotted for Current Program of Relief and Service.

MILLIONS FOR VETERAN AID

Medical Aid for European Children Will Cost $6,000,000 This Year.

Washington.—Expenditures totalling $19,361,657 for carrying through its program of relief and services in the United States and overseas are outlined in the budget of the American Red Cross for the current fiscal year. This total is more than $5,000,000 lower than the expenditure during the last fiscal year, when the disbursements reached $24,492,741, it is announced at National Headquarters in a statement calling attention to the necessity of continued support of the organization by response to the Annual Roll Call, November 11 to 24, if the vital work of the society is to be effectively carried on.

Outstanding among the items of the domestic budget is the appropriation of $3,669,256 for work in behalf of the disabled ex-service man and his family. This appropriation represents the amount alloted to this work from National Headquarters only and does not take into consideration the millions being spent in chapters for relief of the World War veteran. It is in the chapter that the greater amount is spent in meeting this obligation of the Red Cross, the announcement continues, as manifested by figures of the fiscal year 1920-1921 when the total was approximately $9,000,000, of which $2,692,094 represented the disbursement of National Headquarters while the remainder was the chapters' contribution to this field of Red Cross service.

Vast Work for Disabled

Chief among the sub-divisions of the appropriation for work with veterans is that which concerns itself with assistance to disabled men and women in government hospitals. This item of $1,790,000, an increase of more than $500,000 over the appropriation for the same work in last year's budget, will provide those personal services for the disabled and their families which are indispensable to supplement those provided by the government. The director of the Veterans' Bureau has recently expressed his desire that the Red Cross should continue and extend these "humanizing services." Other items of the appropriation for veterans' relief are proportionately increased. An additional appropriation of $469,600 has been made for Red Cross work in connection with regular Army and Navy hospitals and with the regular Army and Navy.

For disaster relief, the Red Cross has set aside for the current twelve months an appropriation of $543,976, virtually doubling the appropriation for the same purpose for the fiscal year 1920-1921.

More than $2,000,000 is provided for service and assistance to the 3,600 Red Cross chapters by the national organization.

Helping Destitute Children

Other items of the domestic budget include $408,546 for miscellaneous activities, including contributions restricted for special purposes and $768,600 for management. Each of these items represents large reductions over similar appropriations of the previous year.

WARM WELCOME GIVEN NEW PASTOR

The reception given to Rev. Stephen Crow and wife at the M. E. Church Friday evening was largely attended and the new pastor and his estimable wife were given a warm welcome both by their own congregation and also by other friends including the Congregational minister, Rev. Cookman and a goodly delegation from his church.

There was a program of vocal and instrumental music including numbers by Mrs. Lawrence, a whistling solo by Mrs. E. H. Cliff, trombone solo by George Angove and addresses of welcome by J. J. Dunbar and Rev. Cookman. The response of Mr. Crowe voiced his appreciation and assurance that he is to enjoy work in his new field of duty.

Following the program the ladies of the church served delicious refreshments.

VIOLATED A CITY ORDINANCE AND IS FINED FIVE DOLLARS

For failing to get a permit to lay a concrete pavement in front of his property, when he refused to have the city's contractors do the work, Romeo Cantoni was fined $5. Cantoni had C. Minelli do the work and as the procedure was contrary to an ordinance for building unauthorized street work, the fine was imposed.

VINEBURG NEWS

Mr. Morris Levy returned home on Tuesday after a week's visit to the metropolis, during which time he combined business with pleasure and had a swell time.

A double birthday party was celebrated on Sunday, Oct. 23, 1921, at the residence of Mr. and Mrs. R. B. Thomas, it being the 70th anniversary of Mr Thomas' birth and the 14th of his granddaughter, Miss Frances Murphy. Mr. Thomas is an old and respected citizen, having been a resident in this part of the valley since 1882. Miss Murphy is the daughter of Mr. and Mrs. Ralph Murphy. A delightful time was passed by the large number of friends and relatives.

Cedric Cutter and family returned home on Tuesday after enjoying an auto trip of ten days to Sierra Nevadas. Cedric says the valleys are all right, but the mountains are not bad either, for they give a man an appetite like a bean thresher. Right you are, Teddy.

Mrs. Henry Forni and her three charming daughters—Misses Florence, Leola and Dolores—are back again at their "Home, sweet home," Silver Terrace, Vineburg, after an absence of seven weeks spent in Booneville, Mendocino Countty.

Fred Batto, Frank Knolle, Mrs. McDevitt and Frederick Batto, Jr., returned from the Summit on Tuesday evening, after being gone six days. Buddie came home to exchange greetings with his many friends and to see his mother, a boy's best friend, and will return to the Summit in a week or so.

One of our progressive and esteemed citizens, W. B. Bundschu, transacted business with pleasure in the metropolis this week.

Muller & Downey, the painters of class, have just completed an artistic piece of work on David Volquardsen's residence and outhouses, which sure improves the looks of North Vineburg.

Our genial and popular station agentt, Grover C. Rulke, departed on a well deserved vacation on Tuesday last. His many friend wish a fine time and safe return home, as Vineburg would sure fade off the map without our Grove.

There must be a few chickens in Sonoma Valley and they must feed, and from the looks of the warehouses at Batto's Spur they will be, as during the last seven days over 4000 sacks of grain and all kinds of mill feed have arrived and been stored at this point. All kinds of seed—all kinds of feed. In fact, anything you need. EASY JIM.

ADDITIONAL SUBSCRIPTIONS TO VALLEY FIRE ENGINE

The following additional subscriptions to the Valley Angel, the chemical engine stationed at Boyes are reported by Chief Cause: The Lark, $10; Mrs. Morris, $5; Mrs. Pippy, $5; John A. McLeod, $7.

TWO SUITS FOR DIVORCE

Carl Jakober and his wife, Tillie Jakober are seeking the redress of the courts in this county. Jakober alleges desertion.

Mrs. A. Trappe is suing Adolph Trappe for divorce. A serious felony charge is also pending against Trappe.

BOUGHT A NEW CAR

Bloss F. Keechler, one of Sonoma Valley's leading dairymen, is the proud possessor of a new Special Studebaker car of the vintage of 1922. It is a beauty and Mr. and Mrs. Keechler are rightfully proud of it.

ARMY STORE HERE WITH BIG STOCK OF GOODS

The attention of our readers is called to the announcement of the new Army goods store on Broadway. More goods arrived this week and the big stock contains everything from underwear to tents. New and reclaimed blankets and wearing apparel are for sale and the prices plainly marked which makes it easy for buyers to make their purchases. The army store is located in the Schweighardt building on Broadway.

MORE IMPROVEMENTS

C. Clementi, well known resort owner on the highway opposite Fetters clubhouse, has had plans drawn for a handsome $20,000 villa to be built next season.

NOTICE

This is to notify the public that Mr. C. Fisher is in no way connected with J. J. Dunbar or his business establishment, and I will not be responsible for any bills contracted by him

A continuous stream of power

From the first turn of the motor until the end of the trip, Red Crown gasoline delivers steady, dependable power.

Every gallon of "Red Crown" which goes into your tank insures ready starting, smooth and rapid acceleration and more mileage—a continuous stream of power. That explains the popularity of "Red Crown"—why it is the choice of motorists who know what good gasoline should do.

It pays to look for the Red Crown sign before you fill. You will find that sign at Standard Oil Service Stations, garages, and at other dealers.

Paint and save repairs

A FEW dollars spent on paint this fall will save you many dollars in repairs. Paint your farm implements, and you will get better service from them next year. Paint your home and barn, and both will look better and be worth more.

It doesn't pay to use poor paint. It won't last, and you will have to do it all over again in a short time.

We have just the paint you want—Certain-teed paint. It's the highest quality, but we can sell it at a reasonable price because the Certain-teed people do not put the same price on all colors. Each color sells for what it costs to make plus a fair profit.

Certain-teed paints are made from the very best materials, thoroughly ground, and mixed by machinery which makes no mistakes. You'll like the way Certain-teed paint spreads and covers the surface. It's the easiest paint to spread we ever saw—it takes quality to do that. We have the right Certain-teed Paint or Varnish for everything inside and outside your house and barns. Come and see us before you buy any paint.

RAILROAD PLAN TO GET RATES DOWN

PROPOSE TO REDUCE WAGES AND RETURN ALL THE SAVING BY REDUCTION IN CHARGES

FULL TEXT OF THE PROPOSAL

Statement By Thomas Dewitt Cuyler, Chairman of the Association of Railway Executives on the Situation

Following a meeting in Chicago, October 14, 1921, of the Presidents of nearly all the leading railroads in the country, Mr. Thomas Dewitt Cuyler, chairman of the Association of railway executives, made the following statement:

At a meeting of the Association of Railway Executives today, it was determined by the railroads of the United States, to seek to bring about a reduction in rates, and as a means to that end to seek a reduction in present railroad wages which have compelled maintenance of the present rates.

An application will be made immediately to the United States Railroad Labor Board for a reduction in wages of train service employees sufficient to remove the remainder of the increases made by the Labor Board decision of July 20, 1920 (which would involve a further reduction of approximately ten percent) and for a reduction in the wages of all other classes of railroad labor to the going rate for such labor in several territories where the carriers operate.

To Reduce Rates as Wages Go Down.

The foregoing action is upon the understanding that concurrently with such reduction in wages the benefit of the reduction thus obtained shall, with the concurrence of the Interstate Commerce Commission, be passed on the public in the reduction of existing railroad rates, except in so far as this reduction shall have been made in the meantime.

The managements have decided upon this course in view of their realization of the fact that the wheels of industrial activity have been closed down to a point which brings depression and distress to the entire public, and that something must be done to start them again in operation. The situation which confronts the railroads is extremely critical. The railroads in 1920 realized a net railway operating income of about $62,000,000, upon a property investment of over $19,000,000,000, and even this amount of sixty two million included back mail pay for prior years received from the government of approximately $64,000,000, thus showing, when the operations of that year alone are considered, an actual deficit before making any allowance for either interest or dividends.

The year ended in serious depression in all branches of industry, and in marked reduction of the market demand for and the prices of basic commodities, resulting in a very serious falling off in the volume of traffic.

Roads Forced to Defer Maintenance.

In this situation, a policy of the most rigid economy and of postponing and cutting to the bone the upkeep of the properties was adopted by the railroads. This was at the price of neglecting and for the time, deferring work which must hereafter and in the near future be done and paid for, this is illustrated by the fact that, as of September 15, 1921, over 16 per cent or 374,431 in number, of the freight cars of the carriers were in bad order and needing repairs, as against a normal of bad order cars of not more than 160,000 as is further illustrated by the deferred and inadequate maintenance of other equipment and of roadway and structures.

Even under those conditions and with this large bill charged up against the future—which must soon be provided for and paid if the carriers are to perform successfully, their transportation duties—the result of operations for the first eight months of this year, the latest available figures, has been at a rate of net railway operating income, before providing for interest or dividends, amounting to only 2.6 per cent per annum on the valuation of the carrier properties made by the Interstate Commerce Commission in the recent rate case, an amount not sufficient to pay the interest on their outstanding bonds.

Roads Earning Far Blow Reasonable Returns.

It is manifest, from this showing, that the rate of return of 5½ or 6 per cent for the first two years after March 1, 1920, fixed in the transportation act as a minimum reasonable return upon railroad investment, has not been even approximated, much less reached: and that the present high rates accordingly are not due to any statutory guaranty of earnings, for there is no such guarantee.

In analyzing the expenses which have largely brought about this situation, it becomes evident that by far the largest contributing cause is the labor cost.

Today the railroads pay out to labor approximately 60 cents on the dollar, they receive for transportation services, whereas in 1916, 40 cents on the dollar went to labor.

On the first day of January, 1917, when the government took charge of wages through the Adamson Act, the labor cost of the railroads had not exceeded the sum of about $1,468,000,000 annually.

In 1920, when governmental authority made the last wage increase the labor cost of the railroads was about $3,698,000,000 annually, or, if continued

Miss Hannah Anderson who has been in Ohio has returned and is visiting her mother on Broadway.

DON THEATRE HAS LONDON PHOTO PLAY

A Mystery Cake

Can you name it?

Here is another new Royal Cake, so delicious and appetizing that we have been unable to give it a name that does justice to its unusual qualities. It can be made just right only with Royal Baking Powder. Will you make it and name it?

$500 for the Best Names

For the name selected as best, we will pay $250. For the second, third, fourth, and fifth choice, we will pay $100, $75, $50, and $25 respectively.

Anyone may enter the contest, but only one name from each person will be considered.

All names must be received by December 15th, 1921. In case of ties, the full amount of the prize will be given to each tying contestant. Do not send your cake. Simply send the name you suggest, with your own name and address, to the

ROYAL BAKING POWDER COMPANY
149 William Street, New York

How to make it

Use level measurements for all materials

½ cup shortening
1½ cups sugar
Grated rind of ½ orange
1 egg and 1 yolk
2½ cups flour
4 teaspoons Royal Baking Powder
1 cup milk
(1½ squares (1½ ozs.) of unsweetened chocolate (melted)
¼ teaspoon salt

Cream shortening. Add sugar and grated orange rind. Add beaten egg yolks. Sift together flour, salt and Royal Baking Powder and add alternately with the milk; lastly fold in one beaten egg white. Divide batter into two parts. To one part add the chocolate. Put by tablespoonfuls, alternating dark and light batter, into three greased layer cake pans. Bake in moderate oven 20 minutes.

FILLING AND ICING

3 tablespoons melted butter
3 cups confectioner's sugar (Powdered sugar may be used but does not make as smooth icing)
Grated rind of ½ orange and pulp of 1 orange
2 tablespoons orange juice
1 egg white
3 squares (3 ozs.) unsweetened chocolate

Put butter, sugar, orange juice and rind into bowl. Cut pulp from orange, removing skin and seeds, and add. Beat all together until smooth. Fold in beaten egg white. Spread this icing on layer used for top of cake. While icing is soft, sprinkle with unsweetened chocolate shaved in fine pieces with sharp knife (use ½ square). To remaining icing add 2½ squares unsweetened chocolate which has been melted. Spread this thickly between layers and on sides of cake.

High School Chronicle

Vol. 1 SONOMA, CALIFORNIA No. 3

This column will be devoted to High School news, edited and written weekly by the students of the Sonoma Valley Union High School.

SONOMA, OCTOBER 29, 1921

HIGH SCHOOL NOTES

The Junior and Senior boys gave a "hard times" dance on last Friday evening at the Woman's Club house. It was well attended and every one there had a most enjoyable evening. The boys deserve a great deal of credit, as they certainly have the knack of entertaining. We hope they will give another one soon again.

* * *

The election of officers of the Girlss' Student Body was held last week. All girls elected were elected by a large majority. The officers are: President, Irene Tracey; Vice-president, Pauline Abernathy; Secretary-Treasurer, Anna Noyes. The student body is now prepared for active work.

* * *

On October 22 Sonoma played its second league tennis game of the season with Petaluma, and won unanimously. It was only last year that Sonoma High was beaten right and left. On October 22 Sonoma High reversed the order of the victory and carried off the laurels.

Fuller of Petaluma, and Herschel Hyde, our star player, played the first match of singles. Wonderful playing throughout this set was accomplished. Hyde's skill in killing lobs was the great feature of this set. The final results were (6—1) (6—0), Hyde dethroning Fuller of the Sonoma county singles championship, which he has held for many seasons. They clasped hands and exchanged best wishes, et cetera.

Fuller was a surprise to the small throng of spectators, which were congregated on the court, for he had at least grown six inches since last year. This fact may be the reason for his defeat.

The next match played was doubles by Fuller and Anderson of Petaluma, and D. Prestwood and Hyde representing Sonoma.

More action took place in this match, as Petaluma's victory over us was at stake. Prestwood showed masterly skill throughout the two sets at driving and killing lobs, but most of all at his fancy net playing.

The Petaluma boys played against odds and lost the first set (6—2), and the second set (6—2) Prestwood and Hyde used their new shift formation and it brought them to victory.

The tennis players of Petaluma were then given some eats by the girls of the school and went home happy, though defeated.

* * *

Miss Jensen was ill last week but is again back at the job of turning out first class cooks and dressmakers.

* * *

A new pupil has just entered high school. His family has been dwelling in the Sacramento Valley, have sold their farm there and have come to Sonoma Valley really to live. A visit to this valley last summer so appealed to them that they were persuaded to come here permanently.

The mother of the boy has this to say of our valley: "It is a most delightful place to live, but as for Sonoma, the front yards need attention. The flower gardens in the towns of Sacramento Valley are beautiful; here they are neglected."

Why not start a campaign to improve the appearance of our front yards, now that we have our streets paved. A B-B campaign right here to cultivate our lawns, paint our homes and put up modern fences would be exceedingly worth while. Then we can follow this up by a slogan, "Come live in Sonoma."

* * *

The total enrollment of the high school to date is 132, of which number 56 are first year pupils.

* * *

A negro jubilee quartet has been booked by the student body for Wednesday evening, November 16th, at the Grammar School Auditorium. It promises to be the best attraction which Sonoma has booked in many years. A record crowd is anticipated and so if you expect a seat, come at noon and bring your evening meal with you.

ANOTHER SONOMA GIRL TO WED

Miss Madeline Sutter Plight Troth to Peter Militello of Buffalo, N. Y.

Another romance of after the war is to terminate in wedding bells, and some time in the near future Miss Madeline Marie Sutter of El Verano, one of Sonoma Valley's fair young daughters, will wed Peter Militello, ex-service man and former resident of Buffalo, N. Y.

Miss Sutter is the daughter of Mr. and Mrs. Jos. Sutter and is a sister-in-law of Mrs. Joseph Vella of this place. She is of the blonde type and has a bright and winning personality which has won her many friends in the Valley of the Moon.

Mr. Militello was with the 27th Division of the Army over-seas and was attached to the 106th Field Artillery. He was at the front in the Verdun sector for seven months. Altogether he was thirteen months over-seas. He was among the first to enlist and was in the army just five years when honorably discharged from the service.

The young folks have not set their wedding date as yet but will shortly give a party to celebrate their engagement, and many of their young friends will make merry with them on the happy occasion.

CO-WORKER EXPRESSES CONFIDENCE IN DR. BUTLER

Editor the Sonoma Index-Tribune:

The people of Sonoma, being more or less interested in the affairs at the Home, I think it is the duty of some one to tell them what the employees of the Home think of the charges preferred against Dr. Butler. Dr. Butler is charged with inefficiency, neglect of duty, etc. It is claimed that it takes him two hours to perform an operation that any surgeon could do in half an hour, etc. The facts of the case is that every one here has the greatest of confidence in Dr. Butler's ability as a surgeon, the best proof that such is the case is the fact that every one of the employees here that have had an operation performed have always asked Dr. Butler to perform the same. Even the nurses have done so; and if there is any person that knows a doctor's weak point it is the nurse that works with him and takes care of his patients. The writer worked under Dr. Butler as a nurse for about one year, and still retains confidence enough in him that if he needed the services of a surgeon Dr. Butler would be his choice, and that's more than he can say about some doctors he has met. Furthermore Dr. Butler has carried on and enlarged upon the policy of love and kindness towards the inmates inaugurated by Dr. Dawson. There is one unpardonable sin in Eldridge, and that is abuse or ill-treatment of inmates. While writing this I have before me a paper signed by practically every employee at the Home expressing their loyalty to and confidence in Dr. Butler as superintendent.

M. SOLEY.

RIPON RANCHER BUYING COWS HERE

Allen Moore, rancher of Ripon, was in Sonoma Valley Tuesday buying milch cows. Moore is a pioneer farmer of the San Joaquin Valley and raises large quantities of feed. He was picking up a carload of cows in this vicinity and declared he made good buys from $60 to $70 per head.

Courage and Judgment Spell "SUCCESS"

THE CAR has been in continual service, making 132 miles a day. It has been run over 125,000 miles and has not had a general shopping. Our cost of operation is less than 11 cents per mile. We are giving regular railroad facility. Our passenger revenue---1920---was $10,864.13. Our population is low---175 per mile.

G. E. BROWN,
General Manager Westfield Railroad Company, Westfield, Ill.

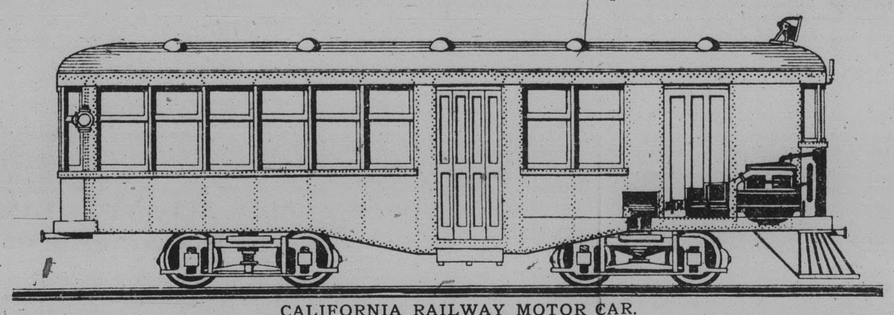
I consider it admirably adapted to short Line Interurban and Branch Line Steam Railway work, and there is no doubt of its ready sale to any number of Railroads.

C. W. BEARD,
Supt. Motor Cars, Union Pacific Railroad Company.

I would be justified in recommending it to our company.

C. W. JONES,
General Manager, The Chicago, Rock Island & Pacific Railway Co.

Buda Engine. Brown-Lipe 4-speed Transmission Westinghouse Air Brake. Griffin Wheels.



Weight, 2400 lbs.
Length, 35 ft.
Capaity, 40 Passengers
Speed, 30 miles per hour

CALIFORNIA RAILWAY MOTOR CAR.
Designed and built by California Car Company (Patents applied for)

Product—

THE CALIFORNIA RAILWAY MOTOR CAR is "Standard" (M.C.B). The first model has been in operation for over two years. Has made 125,000 miles without being overhauled. It is making daily 132 miles at a cost of less than 11c per mile.

It is designed for branch line and interurban service.
Ten of these cars can be dispatched, one each hour for ten hours, for the same cost as one train.

THE CALIFORNIA CAR MAKES POSSIBLE:
INCREASED SERVICE.
REDUCED RATES.
IT TURNS LOSS INTO PROFIT, DEFICIT INTO SURPLUS, and solves the branch line passenger problem.

Profit—

THE CALIFORNIA CAR COMPANY has three sources of revenue:
OUTRIGHT SALE.
LEASING ON PERCENTAGE OF NET EARNINGS.
OPERATION ON LEASED LINES.

Lack of competition and practically no selling cost assure generous margin of profit.
A leased car will earn several thousand dollars a year.
Operated cars should yield twice as much.
The output is estimated at 50 cars first 12 months, 150 cars second year, 200 cars third year, 250 cars fourth year and fifth year 350 cars. Total in five years, 1000 cars.
It is the plan of the company to sell one-half, lease one-fourth and operate one-fourth of the output. On this basis the company would show enormous and constantly increasing earnings.

Market—

THERE ARE 1200 independent branch line railroads in the United States averaging 50 miles in length representing an investment of approximately one billion dollars—most of them operating at a loss. Increased service means still greater losses. Extension is, therefore, out of the question. To regain their lost profits from the motor bus the railways must increase service, reduce rates, extend lines.
THE CALIFORNIA RAILWAY MOTOR CAR makes all this possible. Here is the proof:

	COST	OPERATION	COST OF TRACK
California Car,	$11,000	14c per mile	$ 7000 per mile
3-Car Train ---	65,000	$1.00 per mile	20,000 per mile and up

Organization—

The prospective investor demands his money be in conservative and efficient hands and that he deal with men of established reputation.
The organization of the California Car Company will bear the closest investigation.
A. D. Bowen, President, has been a railroad man for 30 years. He has built and operated steam and electric railways both in the United States and Canada.
Mr. Bowen has surrounded himself with a score of able and efficient assistants and department heads.
The California Car is the result of an imperative need experienced by Mr. Bowen in the actual operation of a number of different railroads.

SELL YOUR WRIST WATCH—BUY AN ALARM CLOCK

IT'S TIME TO WAKE UP TO OPPORTUNITY. MONEY OUT AT INTEREST ISN'T WORKINK FOR YOU—IT IS WORKING FOR THE MAN THAT RENTS IT. VANNUCCHI RACES DOG IN MIDDLE WEST

Paul Vannucchi, popular resort man of El Verano, has been on a tour of the dog racing courses of the Middle West. His prize greyhound, "Benny Blenden," broke several records and was acclaimed by followers of the sport as a swife without a peer.

Vannucchi left St. Louis this week for home and wired his mother here that he would be glad to be back in sunny California.

The Vannuchi resort at El Verano was recently visited by an expert builder of dog kennels and he made some attractive quarters for the classy greyhounds which are the pride of Paul's and have won many prizes both at Ingleside and in the East.

EPH. WEISS, the expert ophthalmic optometrist, will be in Sonoma at the Union Hotel on November 2d, 1921. Permanently located at 706 Larkin St., San Francisco.—Adv.

Index-Tribune stands for the progress and prosperity of Sonoma Valley, remember that when placing your printing orders.

EL VERANO ITEMS

(Interesting gleanings from El Verao's popular press agent, our old friend, Archibald McKiyer)

Archie Gale of Winters was here the first of the week renewing old acquaintances.

Louis Lamotte, proprietor of El Verano Villa returned home Monday evening after spending several days in San Francisco.

T. H. Baines and Harry Baines motored to Dillons Beach last Saturday.

John Nufer of Oakland is spending several days at his beautiful summer home here.

Mrs. Helen Craib of San Francisco is the guest of relatives here.

Miss Marie Minkel of San Francisco was a guest at the Weise home at Glen Ellen last Saturday.

Mrs. John Hawkins of Oakland is a guest of the Minkels this week.

Jim McBride, formerly of this place accompanied by his wife and family of San Francisco are guests at El Verano Villa.

Ole Johnson, formerly of El Verano but now of Sacramento, was in town the fore part of the week.

Mrs. Nellie Andrews is visiting in the Bay City.

Mr. and Mrs. Babe Gatto and daughter of San Francisco were guests of A. Chelini over the week end.

Mrs. Henry Norrbom is visiting friends in Los Angeles.

Geo. Block of Kenwood was visiting at the James Baines residence Monday.

Jake Steckmeyer, who has been on the sick list for the past couple of months with a bad leg caused by water on the knee, went to San Francisco Monday to consult a specialist Mr. Steckmeyer has a host of friends here who wish him a speedy recovery.

It is rumored in real estate circles that Mrs. Theo Richards of Agua Caliente has disposed of the "Lark" property to Sal Carlo, a well known San Francisco boxer and sporting man, the price being $22,000. Mr. Carlo will improve the property at once.

A. Swenson, a seafaring man, came up from San Francisco the first of the week and will remain here for the winter at his beautiful home "The Nest"

Mrs. Dr. N W Lee and daughter left for San Francisco Tuesday where they will make their future home. Mrs. Lee will dispose of her home and property at Sonoma Vista. The late Dr. Lee was a lecturer at the University of California.

A carload of grapes were shipped from the S P station Monday consigned to New York. The shippers being Beiser & Signorelli.

All roads lead to the Catholic Fair at Sonoma Saturday evening, a large crowd of party-going people will be on hand from here to help the popular pastor, Father Byrne, swell the funds to pay off the debt on his beautiful new home.

Jack Main of Mains resort, Verano contemplates building a large hotel and summer cottages at Verano in the near future.

The Nonella sisters were visitors from San Francisco at their parents home last Sunday.

A large number of fire-fighters were pressed into service Monday, Capt. Muldowney, a retired fireman from San Francisco, who makes his home here for the summer, upon discovering the Battersby fire at Sonoma Vista, immediately started with his volunteers and was the first to give aid and under his directions, the boys worked like veterans. There is talk of starting a volunteer fire department here with Capt. Muldowney as leader and instructor.

The news has reached here that Paul Vannucchi, the well known Verano sporting enthusiast, won a race at East St. Louis with his crack imported hound, carrying off the honors last week at the race meet there. Mr. Vannucchi and party will leave the east the latter part of the week, returning to California and will spend a few days at his resort nera Verano, the guest of his mother.

Fred Brash returned here Tuesday from the mines in Eldorado, County, and will locate on his ranch west of town, going into the chicken business.

George Engler of Sonoma passed through here Sunday en route to Cotati

The residence of R. Battersby of Sonoma Vista was totally destroyed by fire Monday evening. Mr. Battersby had left a coal oil stove burning in the bath room, in order to heat it up before taking a bath. During his absence the fire started. The place was insured and the loss amounted to $2000.

Miss Lillian Hoenissh of Oakland was a guest at the Nick Dowdall residence last Sunday.

Joe Garoni, mayor of Agua Caliente, was in town Tuesday exchanging greetings with old friends.

Joe Escolle, after spending several days visiting relatives in San Jose, returned home the fore part of the week.

O. C. Benjamin of San Francisco, formerly of the Bellevue Hotel, is here this week renewing old acquaintances.

Wm. Kearney and Jim Kearney have returned from a motor trip through Eureka, Willits and other towns as far as the Oregon line, and report seeing some wonderful country.

Jim Morris, United States mail carrier at Agua Caliente for the past thirty years, was in town Wednesday.

Jack Watt, representing the Tacoma Brewing Company—"one and a half per cent"—at Santa Rosa, Cal., was here Wednesday on business.

NOTICE OF TERMINATION OF CO-PARTNERSHIP.
(Sec. 2453 of Civil Code)

KNOW ALL MEN BY THESE PRESENTS:

You will please take notice that the co-partnership heretofore existing between Peter A. Boccoli and S. A. Griffith, both of Sonoma City, Sonoma County, California, who have been conducting a general garage business in said city under the firm name and style "B and G Gargae," has this 1st day of October, 1921, been dissolved by mutual consent.

S. A. Griffith hereby agrees to assume all of the firm debts and obligations and to collect all bills.

Henceforth this garage shall be known as the "Palace Garage" and S. A. Griffith will be the sole proprietor thereof.

PETER A. BOCCOLI
S. A. GRIFFITH.

State of California,
County of Sonoma, ss.

On this 1st day of October in the year one thousand nine hundred and twenty-one, before me, Joseph L. Small, a Notary Public in and for the County of Sonoma, personally appeared Peter A. Boccoli and S. A. Griffith, known to me to be the persons whose name are subscribed to the within instrument, and they duly acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Sonoma, the day and year in this certificate first above written.

JOSEPH L. SMALL,
Notary Public in and for the County in Sonoma, State of Califo nia.
